Premium Value Collection

Priced to fit any budget and built to last, our Essential Eight Premium Value Collection features the most affordable upholstered seating specifically designed for heavy-use environments.

Choose from 100's of durable stain-resistant contract fabrics and vinyls to create the perfect look for any décor. We also offer a full line of specialized fluid-resistant, hygienic health care grade fabric treatments like Crypton and Durablock.

Built in the USA and protected by manufacturer's 10 year heavy-use structural warranty, our Premium Value collection is the most tried and true, well-built seating available for any group living environment.

FABRIC KEY

Browse from our collection of in-line fabrics to create the perfect seating for your facility. Or let us recommend our favorite upholstery fabrics to make selecting your new seating even easier!

Prices included in this catalog are for our most popular fabrics & vinyls:

1. Sherpa & Shire - A trusted favorite for over 20 years, Sherpa & Shire's polyolefin fibers resist staining and are practically impervious to wear. Available in a huge assortment of colors, Sherpa & Shire is an ideal choice for heavy-use seating.
2. Durango Vinyl – When it comes to the ultimate in fluid protection in a stunning assortment of contemporary colors, vinyl Durango has it all. Completely fluid-resistant and lab-test to withstand 1,000,000 double rubs, Durango is ultra-durable and bleach cleanable yet buttery soft to the touch.
3. Finale Crypton – Born and bred for healthcare applications, Finale Crypton is not only anti-bacterial, anti-fungal, mildew-resistant, and fluid-resistant but Finale is also Greenguard certified for low chemical emissions. All of this performance available in a bold modern color pallet perfect for almost any décor.
