# MOLDED PLASTIC

## AT A GLANCE

- Rotationally molded furniture features a one piece design for increased strength.
- Available in a variety of colors.
- Our full line includes beds, case goods, desks, tables, storage, and seating.
- Can Meet CAL 133 Flammability Requirements.
- Pieces can optionally be bolted to the floor or weighted with sand for improved security and safety.
- Open shelving eliminates small, breakable parts like drawer boxes, drawer fronts and hardware.
- Stain Resistant, Easy to Clean.
- Ideal for extreme use environments.
- Protected by manufacturer's 10 year heavy-use warranty.
- Made in the USA.
