FABRIC KEY

Our team of trusted furniture advisors are well versed and ready to assist you throughout the fabric selection process. Our diverse catalog of fabric offerings are extremely durable and created to withstand the rigorous usage demands of group living environments. We will help you mix and match fabrics to create the perfect setting for your facility.

Grade 5

Sherpa & Shire

Sherpa & Shire have been the hallmark of durability and cleanability since their inception. Cited by Interior Design magazine for their longevity as the best of the past 25 years, these fabrics are nearly impervious to damage.

Grade 11

Florentino Vinyl

When it comes to the ultimate in fluid protection in a stunning assortment of contemporary colors, Florentino Vinyl has it all. Completely fluid-resistant and lab tested to withstand 651,000 double rubs. Florentino Vinyl is ultra durable and bleach cleanable yet buttery soft to the touch.

Grade 16

Function Crypton

Born and bred for healthcare applications. Function Crypton is not only anti-bacterial, anti-fungal, mildew resistant, and fluid resistant, but Function is also Greenguard certified. All of this performance is available in a bold modern color pallet perfect for any décor.
